

Electrical Engineering Student Association (EESA)

- ❖ Guest Lectures are organized to create awareness among students related to recent developments in Industry.
- ❖ Mini Project Competition is organized for students.
- ❖ Teachers Day is celebrated to judge the teaching skills of students
- ❖ Industrial Visits are Organized for Students

- ❖ Students are given exposure to virtual labs of COEP, Pune

BEST PRACTICES IN DEPARTMENT

Resource Lectures organized under EESA

Date	Name of the Coordinator	Topic Name	Resource Person	Class / Target Audience	Outcome
20/01/2012	Ms. Pranali Tekale	Industrial Drives and Control	Prof. A. D. Purandhare	BE Electrical	Students understood the recent trends & contents beyond syllabus related to their subject
30/03/2012	Mrs. P. A. Kadam	MFA and MCA	Prof. Ashok Kamthane	SE and TE Electrical	
23/03/2012	Mr. V. M. Panchade	PLC and SCADA	Mr. Pritam Vani	BE Electrical	
27/09/2012	Mr. Kushal Lodha	Material Science	Mrs. G. M. Karve	SE Electrical	
27/09/2012	Mrs. P. A. Kadam	Power Quality	Mr. M. P. Bhavalkar	BE Electrical	
23/09/2013	Mr. Kushal Lodha	Smart Grid	Mr. V. L. Sonawane	BE Electrical	

BEST PRACTICES IN DEPARTMENT

Resource Lectures organized under EESA Contd...

Date	Name of the Coordinator	Topic Name	Resource Person	Class / Target Audience	Outcome
10/03/2013	Mrs.Patil S.B.	Material Science	Mrs.M.H.Dhend	SE Electrical	Students understood the recent trends & contents beyond syllabus related to their subject. Students understood the application of the subject in Industry.
30/09/2014	Mr.Kushal Lodha	Application of Opamp	Prof. O. S. Pawaskar	SE Electrical	
03/09/2015	Mrs.Patil S.B.	High Voltage Engineering	Mrs.M.H.Dhend	BE Electrical	
14/9/2015	Dr. Asha Shendge	Overview of secured communication between control station and various PLC's	Mr. Sudarshan Mantri	BE Electrical
