

**G.H. RAISONI INSTITUTE OF ENGINEERING & TECHNOLOGY
WAGHOLI, PUNE**

entrepreneurship.

Incubation Center, GHRIET Pune (ICG, Pune)

Institute has established **Incubation Center GHRIET Pune (ICG, Pune)** for entrepreneurship skill development of the students. The objectives of Incubation Center GHRIET Pune are:

- 1) To disseminate knowledge and insights in entrepreneurial theory and practice through lectures activities and workshops.
- 2) To collaborate with similar bodies in other Technological institutes & B-schools to accomplish the objectives.
- 3) To seek tie-ups with Non-profit Entrepreneurial organizations connecting our Incubation Centre, GHRIET Pune to global network of entrepreneurs.
- 4) To create a strong network of successful entrepreneurs who would like to guide budding entrepreneurs.
- 5) To act as an institutional mechanism for providing various services including information to budding student entrepreneurs.
- 6) To guide and assist prospective entrepreneurs on various aspects such as preparing project reports, obtaining project approvals, loans and facilities from agencies of support systems and information on various technologies.

The ICG Pune for Entrepreneurship Development has been planned, keeping in view the vision of the Institute which endeavors to empower business, and furthermore instill similar values in the understudies. The inside means to go about as a stage to make an interface between the scholarly world, business and research. It additionally plans to prepare students to lead, advance, and think entrepreneurially whether in business, service, or open service in order to be a good example and employment generators, as opposed to simply work searchers. These all things are harnessed in ICG Pune through various guest lectures, Internship programs related to Entrepreneurship Development, Webinars under IUCEE. Competitions like YUKTI, KRAZY Bee are conducted to nurture the entrepreneurship culture amongst the students under ICG Pune.
