Dr. R. D. Kharadkar briefed about the suggestions given by Department Advisory Committee (DAC) about the establishing the Innovation Centre and Idea Room. He also discussed the objective behind the establishing the center and asked the suggestions of IQAC members.

Industry experts Mr. Amol Kulkarni and Mr. Choudhary appreciated the suggestion given by DAC and the objective of the center. They recommended that the center should provide the interdisciplinary project facilities so that the all stream students will work together in the team. Dr. Suvarna Chorage has given the suggestion of digital e-library resources so that the students will get the access at same place.

Mr. Prashant Bhogle suggested to have a discussion tables facility to brainstorm the team whenever required.

Dr. Parag Kulkarni suggested to make Idea room and wall notice board to display the ideas. He also suggested to give appreciation to best idea of the month.

Mr. Ajit Tatiya noted the same and asked Principal to put the same point for the discussion in Management Body meet and prepare the budget.

All members given approval to establish the Innovation Centre and Idea room.

3. Review of students' Industry Sponsored Projects

Dr. N. U. Korde given the review of industry sponsored projects carried out in the AY 2016-17.

Dr. R. D. Kharadkar explained the problems in getting the more numbers of projects.

Mr. Prashant Bhogale told that the along with students, faculty has to also join the project for satisfy and complete the industry needs.

The members urged to increase the sponsored projects.

4. Discussions about softskill development

Principal briefed about the students communication and writing skill problems. Experts also highlighted the same problem when the student joins the industry. Members highlighted about the need of special course on softskill.

Principal briefed about the syllabus prepared for the softskills and additional faculty appointed for softskill. He also asked the suggestions on syllabus. It is decided to start softskill course for all first year and second year students.

5. Faculty Industrial Training

Dr. Korde told about the management initiative to depute the faculty for industrial training. Dr. Parag and Mr. Bhogale appreciated the initiative taken by management. They suggested to have atleast training should be of minimum one week. They suggested to motivate maximum faculty and depute them as per their own area of interest.
